13. Drama requirements: one 30 minute play or two 15 minute skits.

The following items are part of preparing for a Drama (Play or skit) that can be used in your presentations.

- a) Warm – up: It’s a good idea to do relaxation exercises any time before Appearing in front of an audience. Do a few minutes of physical exercises to relax prior to practice & performing.
- b) Close your eyes & imagine you are sitting by a stream, take off your socks & shoes and put your feet in the cool water. Relax.
- c) Close your eyes and try to imagine the setting of the play.
- d) The basic components of Drama and Acting:
 - **Character building** - Think as much as you can about the character you are portraying; how, where, & when did they live. What’s their relationship to Jesus? Try to be in character by words and dress.
 - **Stage** – sometimes performances are presented in the great outdoors, an arena, or in your school or church buildings. These indoor stages would have very simple sets so as not to block the view of the audience.
 - **Scene setting** – create the right set by creating an environment onstage that establishes the atmosphere, era, and location of the play or skit.. Choose your props; old furniture, lamps, items created out of paper mache’, etc, and hang a curtain for room dividers or curtain for scenes.
 - **Accepting directions from the drama director** - a director is there to guide and direct the play – work together.
