

Listening Session – Jan. 27, 2018

Lauderhill – South Zone B

CHURCH - like

Involved in the community

Kids Choose Project

Growing – letters/calling parents/drum corps

Kids going house to house

Kids adopt a street/visit 1x/quarter same homes

Networking with parents/sending them texts

City Newsletter advertise club to community

Adopt grandparents/veterans

Created a 7 Habits Club-Build Character/do w parents

Feeling of togetherness

Upgraded the community center

Club meetings are both indoor and outside

CHURCH – improve

Lesson plan implementation is weak; getting kids to put lessons learned into practice

Need to get parents more interested

Promptness of pick up time by parents

Need better ways to get parents involved as staff

Teachers need to plan ahead better

Staff needs to arrive earlier/be ready to teach

Involve pastors; get better support for club ministries

Parents need to turn in papers on time

Merge smaller clubs to join bigger clubs

CONFERENCE – like

Consistency in programming; same events/same time of year every year

Communication/Newsletter helps us stay informed

Support through team of volunteers

Conference representatives are present

Innovative ideas are shared and used

CONFERENCE – improve

Staff doing club inspection @ camporee should be in full class A/dress uniform

Red Zone – Sabbath – not having kids playing with balls

Background Check – shorter lines at events if all paper work is in order

List of adults cleared should be @ Conference office; already printed, ready to verify

Pre-Reg vs. Onsite Registration line @ events

Volunteers should pay less than kids (taking off work)

Red Zone should be more South/Orlando was better

Red Zone should be by areas/not as state

Bring back top overall score for PBE/Drum/Drill; teach kids better Christian competition skills

Families see Red Zone as family event; some come as families but kids don't participate in Red Zone activities; tough as directors

Send info to clubs in a more timely way

Plan events when kids are out of school so they don't miss school

Share more videos of what top clubs are doing in drill, drum, etc. ...

ONE IDEA:

Improve Red Zone

(Registration Process/Honors Sign up/Organized Sabbath afternoon activities for kids)
