About the World's Only Hope

Always pray before opening your Bible.

Find the text in your Bible and write the answer.

Never has the world faced so many perplexing problems that seem to have no solution. Your daily newspaper reveals a host of difficulties that man is incapable of solving.

The nations have tried in vain to resolve their differences through the United Nations. Not many of the major world problems have been solved or settled. The moral decay of mankind is apparent wherever one looks. The general confusion and perplexity in grappling with current social problems is very evident.

Many are asking? "Where can a permanent solution to these problems be found?" Your Bible holds the answer. Christ foretold the event that will resolve all of these problems of mankind. There is no other solution!

In the closing days of His ministry on this earth, nearly 2,000 years ago, Jesus talked about the day when He would be taken and crucified. The disciples of Christ would not allow themselves to believe that such a fate could ever overtake their beloved Leader. Christ knew that they would need an abiding hope in the days to come. He gave them the wonderful promise we find recorded in *John 14:1-3*, "Let not your heart be troubled; ye believe in God, believe also in Me. In My Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto Myself; that where I am, there ye may be also."
