

# DIRTY COINS

1. What are coins made from?
2. Coins are dirty. Why?
3. Should people put coins in their mouth? Why?
4. Ask a grown-up to read Matthew 17:27 from the Bible to you. Jesus told a man to get a coin from a fish's mouth. Do you think it was clean?
5. Do a craft illustrating Matthew 17:27, such as a fish.

Resources: Computer - Coins-Kids, The Minting Process Revealed; Google.com; Bible

## HELPS:

1. Strips of metal, copper, and zinc.
2. Lots of people use coins. Coins go from hand to hand and so they collect germs.
3. No. Because you can get a bad infection and the coin can get stuck in your throat, especially in little children!
4. Answers may vary
