

NATURE DETECTIVE

1. What do I see out my bedroom window?
2. What do I see at my school that God made?
What do I see at my school that man made?
3. Go on a hike to a park, nature trail, etc. and do the A to Z Scavenger Hunt—centering on things mostly around nature if possible.
4. Present a small program or vespers showing and telling the others about exciting things you found on the Scavenger Hunt.
5. Make a craft relating to this chip.
