

THINGS THAT GROW

1. On what day did God create plants?
2. Draw a picture of the days of creation.
3. Complete sheet on plant parts.
4. Make a giant flower. *See below
5. How do plants grow?
6. Grow beans or sprouts.
7. Do you grow? Over the course of a year, chart each month the height of each child.
8. Thank Jesus for helping me grow and for making plants.
9. Learn to sing a song about creation.

Helps:

Cut five (5) strips lengthwise. Cut two (2) circles. Loop each strip around and glue to one side of circle. Put stem on. Put second circle on top. Add sunflower and leaves.
